GENERAL INFORMATION

LOCATION—The sale will be held at the Bingley Sale Pavilion, Knoxville, Iowa, on Monday, May 22, 1950. Knoxville is located 37 miles southeast of Des Moines on State Highways 60, 92 and 14. It can be reached by paved roads from any direction and is served by good bus facilities and the Burlington Railroad.

TERMS—The terms of this sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off and will be loaded in compliance with instructions from purchaser.

GUARANTEE—All cattle are sold subject to a 60 day retest for tuberculosis. Health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed he may be returned to the seller if in as good condition as when sold; if, after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

Any claims for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager, officers and directors of Iowa State Shorthorn Association nor the clerk of the sale assumes any liability, legal or otherwise.

PEDIGREE CERTIFICATES—A certificate of registry and transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalogue they were furnished by the consignor or written from information supplied by the consignor.

MAIL BIDS—Mail or wire bids may be sent to: Clinton K. Tomson, Secretary American Shorthorn Breeders' Assn., Chicago, Ill., Mervin F. Aegerter, Seward, Neb., Clem Larson, Callender, Ia., Thos. D. Sherlock, Wallaces Farmer & Iowa Homestead, Des Moines, Iowa, Albert J. Hamann, Rock Rapids, Iowa, or to the auctioneer, J. E. Halsey, Box 1317, Des Moines, Iowa. Late bids to the above may be addressed in care of the Hotel Marion, Knoxville, Iowa, on sale day.

ANNOUNCEMENT

We most cordially invite all those interested in Shorthorn cattle to attend the Marion County Shorthorn Breeders' Show and Sale. It was under this name that the sale was originally organized. Then, for a number of years it was known as the South Central Iowa Breeders' Sale, but it is probably as the Marion County Sale that it is best known. This has been due, in part, to the splendid record made by it's 4-H club members in exhibiting winning Shorthorns at the Iowa State Fair.

But, regardless of name, the Marion County Breeders have joined with the breeders of South Central Iowa and adjoining territory in making this sale of good useful Shorthorn cattle. These cattle will go out and do well for their new owners, even though some will not be in high flesh but in good productive condition.

The breeders and consignors in this territory are interested in maintaining an established sale where breeders can annually sell the produce and buyers can come and buy with confidence.

Cattle from these herds in this territory have always given a good account of themselves in various shows and sales of top rank. The bloodlines are equal to any that will be found.

We especially would like to call attention to the 37 bulls that are being offered. We feel that some are definitely herd bull prospects and that the general quality is good and this sale offers a real opportunity for farmers to buy a good registered Shorthorn bull to place in their herds. This is most certainly the bull buying opportunity in Southern Iowa.

The females offer an opportunity to add the right kind to established herds and for beginners to buy bred females with a quick return.

We sincerely hope that you will make plans to be with us at Knoxville on May 22, 1950, and trust that you will tell your neighbors and friends of the opportunities that this offering presents.
